COMMUNITY SUPPORTED AGRICULTURE

HOW MUCH DOES IT COST?

Get a share of our Farm's harvest each week by ordering a weekly harvest box. CSA members select the box size that suits them: Small \$21/week or Family Size \$29/week. Then members may choose to add a Fruit, Salad or Tomato Share, and Wheatgrass, Sunflower or Pea Shoots. The following prices are for 22 weekly deliveries. If the season has already begun, we are happy to prorate the price so you can still join and begin receiving fresh, organic produce right away.
